Nervous
Nervous
Nervous
don't breakdown
ONLY HUMAN
NO GOD NO KING
only human
no drama,
nervous don't break down

Too much blue or green
when made with fluorescent light
A cool-toned abstract
may be too dark to see
Underexposed tungsten-balanced film
During the daytime
afraid to rise at night
the sun or electronic flash
to enhance the illusion and beauty
When those bottom layers were dry
still sensing the infinite behind
staged scenario
and my own weird way

I'm allow to be skeptical
Innocent until proven guilty
Not loving is not madness
Not believing is not a crime
